

January 14, 1925.

The faculty met in the library. Miss, Carpenter, Prof. Lappin, Miss Braun, Miss Simpson, Prof. Peratt and Prof. Holbrook were absent. They were led in prayer by Dean Lewis.

After the reading and adoption of minutes of previous meeting, the schedules for the second semester were discussed. All were satisfactory.

Dean Lewis suggested that examinations for this semester be held Wednesday and Thursday and that this semester close Thursday afternoon that teachers might be given time to get reports ready before the opening of the new semester. This was agreed to.

It was moved by Dean Lewis and seconded by Professor Nickell that we do not grant high school diplomas, but that students transfer credits to high school and receive diplomas from same.

Coach Downing asked the opinion of the faculty as to the manner of presenting the sweaters to the football squad. He suggested that we give a banquet. It was moved by Dean Lewis and seconded by Miss Faulconer that we approve of the general plan, and that the details be left to the committee on athletics.

Professor Jayne and Dean Lewis briefly stated their plans for the publication of our school paper, and asked the assistance of the faculty in this matter.

It was moved and seconded at six o'clock that we adjourn.

NORMAL SCHOOL

The first semester's work ends this week, with the usual round of examinations and reports. There will be no school on Friday, in order to give the teachers time to grade papers and make reports.

The second semester will begin at chapel time next Tuesday morning, Feb. 3. Monday and part of Tuesday will be given over to the registration of new students. Nearly all of the old students have already enrolled and arranged their schedule of classes for the second semester.

On Tuesday evening, Jan. 20, occurred the first annual banquet in honor of the Football men. The banquet was served in Hodson Hall and was prepared by Mrs. Mayme Wiley and her able assistants.

Dean Lewis was toastmaster of the occasion and appropriate speeches were made by President Button, Captain T. H. Morris, and Coach Downing.

Officers elected for the following year are Roscoe Tsham, Manager, and Everett Blair, Captain.

In presenting the sweaters, Coach Downing said that the letters were more important than the sweaters. (Each dark blue sweater bears the letter M, in gold.) He said the M in standing for Morehead State Normal, should be the emblem of moral courage and Most of Men. Hargis Ison was representative of the boys who entered the game with the spirit of the true sportsman, those who will be the letter men of the future.

Men who received sweaters are: T. H. Morris, Jack Lewis, Dow Johnson, Claude Clayton, Everett Blair, Wurt Jayne, Wilfred Waltz, Luther Rayburn, Roy Gilley, Everett Amburgey, John Will Holbrook, Starlin Richardson, Ed Williams, Bruce Steagall, Owen Leedy, Virgil Horton, and Rodney Sisk.

All were present except Mr. Sisk who had been detained at his home in Providence, Kentucky, on account of the death of his father.

On Monday morning in chapel Professor Clarence Nickell demonstrated three types of fire extinguished and made a plea for the prevention of fire and care in the use of the extinguishers. This talk was timely and was made extremely interesting by Prof. Nickell.

Separate chapel meetings were held by the young men and young women on Tuesday morning. The meeting of Y. W. C. A. was conducted entirely by freshman girls, with Miss Lucy Bolin as leader. Nearly every girl had part in talks, quotations, or sentences prayers. The topic

Quartette—"Kentucky Babe"—Madison Wilson, Luther Rayburn, Jack Lewis, Everett Blair.

Saxophone Solo—Everett Blair.

Piano Trio—"Polonaise Militaire" by Misses Emma Shader, Ruby Vansant, and Mary Marguerite Bishop.

This music was much enjoyed by all the teachers and students.

Dean Lewis talked in chapel, Thursday morning from the first four words of the Bible, "In the beginning, God." It was an excellent speech voicing a firm faith in the Bible, in God, and in His guidance in the world he created.

Professor Groves gave an unique talk on examinations and grades, Friday morning in chapel, basing his remarks on Jesus as the master teacher and his disciples as the students. He also explained the use of the letters, A, B, C, D, and E, in grading the students' work in M. S. N.

Miss Elizabeth Patton of Boyd County, a former M. S. N. student, was here Friday arranging for her sister to enter school the second semester. The outlook is promising for a large enrollment. There are excellent arrangements for courses that will be most helpful to teachers.

Miss Ida Button spent Saturday and Sunday with her parents, President and Mrs. F. C. Button. As Saturday was Miss Ida's birthday, Mr. and Mrs. C. E. Bishop entertained the family and served the birthday dinner.

Early in the second semester, Miss Button will have a special meeting with the Y. W. C. A. of Morehead State Normal. We are sure this will be full of inspiration and practical suggestions.

Professor W. L. Jayne has just returned from a trip to Ashland and Vanceburg. At the later place he attended and addressed the meeting of Lewis County teachers. An interesting feature of this meeting was a spelling

Nearly every girl had part in talks, quotations, or sentence prayers. The topic was "How to Start the New Year Right." It was decidedly one of the best meetings of the year.

It was announced at this meeting that the Y. W. C. A. will hold a bazaar on March 17, to help raise money to send delegates to the Blue Ridge Conference in June. At this bazaar numerous simple inexpensive but necessary articles will be sold, in addition to candy and foods of various kinds.

Two girls, Marie Holbrook and Dorothy Hesson, were elected delegates to the State Conference of Student Volunteers to be held at Winchester, Feb. 20-22. Miss Nell Cassity, president of the Normal Y. W. C. A., will attend these meetings, and other girls may be able to go. We are entitled to five delegates.

On Wednesday morning, Miss Shader had charge of the chapel program. After the scripture reading by President Button, and the Lord's Prayer, the following program was given:

An interesting feature of this meeting was a spelling contest. The winner of this contest will represent the county in a state contest to be held at a later date.

Eugene Cocanougher, one of the M. S. N. students during the first semester, will return to the University of Kentucky, next week, as he has all the credits to which he is entitled from a school of Junior college standing. Everybody is sorry to have Mr. Cocanougher leave M. S. N.

On Monday morning of this week we were fortunate in having as chapel visitors Brother Mitchell, pastor of the Methodist church, and Dr. Greer, superintendent of the Lexington district. They gave splendid messages in and sermon.

Mrs. John Jacobs, of this city, died at her home last Monday. She is survived by a husband and six children, Carrol, Cordia, Josie, Helen, Russel and John, Jr. Mrs. Jacobs was a member of the Baptist church. Burial at Grayson.

Discipline Committee met January 24th. Dow Johnson was

brought before the committee for breaking rules and regulations of the dormitory. *He was censured and broke the campus.* After a lengthy discussion, it was moved by Professor Haggan and seconded by *Miss Adams* ~~Mr. Haggan~~ that we suspend Dow until the corresponding time in the second semester, or in other words, one week before the second semester expires, and permit him to enter then and take the examinations for this semester's work. If he fails to take the examinations at that time he will be denied the privilege of making up the work later. Motion carried.

Faculty met in the library. Mr. Peratt, Miss Carpenter, Mr. Lappin and Miss Simpson were absent.

After reading and adoption of minutes of previous meeting, the following business was taken up:

- 1st. Requisitions for necessary books were made out.
- 2nd. Discipling of boys of rooming houses in town was discussed. It was taken by common consent that those in charge of the homes will be largely in charge, and should report rudeness or boisterousness to President Button. It was also decided that they would not attempt to observe study hour in these homes.

The enrollment for the second semester was reported to be about 440. It was also reported that still ^{others} were wanting rooms.

Available space large enough to serve as a gymnasium for boys was discussed. It was agreed that we try to secure the old store owned by Mr. Bruce.

It was moved by Dean Lewis and seconded by Professor Jayne that a committee be appointed to present to the board an emergency in case of a girls' dormitory, and state that we earnestly desired immediate action in the erection of such a building, because we believe that if a third fall comes, and we do not have facilities we shall lose the confidence of the people. The motion carried. The committee was as follows:

Prof. Jayne
Miss Humphrey
Prof. McGuire

It was taken by common consent that an outside stairway should be erected to the classroom building as a means of exit in case of fire, or any other emergency.

NORMAL SCHOOL

Enrollment of new students is progressing rapidly. It is too early to furnish particulars as to numbers and classification. The enrollment will not be complete before March first, probably, for some of the rural schools have not yet closed.

Mrs. Carter is in charge of the girls at Atkins Hall. Professor and Mrs. McGuire are at the Maggard house near the electric light plant. Seventeen girls will room in this house.

The semester will open with chapel Tuesday morning, and all classes after that will meet regularly.

On Saturday evening, Dr. Albert A. Fretwell of Columbia University, New York, gave a most helpful lecture on citizenship. Dr. Fretwell is a specialist on the subject of Scout Work and other forms of social development for boys and girls. He spent last week in Central Kentucky, lecturing in such places as Lexington, Winchester and Paris. We were fortunate to secure him for Morehead.

Robert Allen Buton, second son of Mr. and Mrs. Frank Buton of Louisville, was born Jan. 2.

Miss Mabel Richardson, of Olympia, will be obliged to remain out of school this semester on account of ill health. We are sorry to lose her and trust that she will be able to return to M. S. N. next fall.

Last Tuesday morning, Miss Adams made an inspiring talk in chapel, using for illustration Van Dyke's poem, "Work," and his story, "A Handful of Clay."

Professor W. L. Jayne talked Wednesday morning on opening exercises for schools, illustrating from the Bible and literature, with alternating humor and pathos. It was one of the most helpful talks of the year.

On Thursday morning, Miss Humphrey talked about some Tibetan customs.

Last Tuesday the agriculture class combined with the cooking class in a project. The agriculture class, under the direction of Mr. Haggan, killed a chicken; then Miss Vansant's class prepared and served it, along with other delicious dishes, to Mr. Haggan and his class.

Miss Ruby Vansant spent the week-end visiting college friends in Lexington.

STATE NORMAL HAS BIG ATTENDANCE

Over 400 Enrolled and
the Number Increasing
Daily. Feb 12

The Morehead State Normal starts out the first of the year under flattering conditions as pertains to attendance. The dormitories are full and many houses in town have been converted into boarding and rooming houses for the students.

Every train brings new pupils to this institution, and its popularity is growing daily. Practically every county in Eastern Kentucky is represented as well as many other counties from other parts of the state.

The work on the new administration building is progressing rapidly, but the demand for other buildings will be big before this one is completed.

It is safe to say that within the next two years this school will have an enrollment of something like one thousand pupils.

The people throughout the state are beginning to see the wisdom of the school commission in locating the State Normal at Morehead, despite the pressure that was brought to bear upon them to place it elsewhere.

February 19th-1925.

Faculty met in the Chapel. All preliminaries were dispensed with.

The observance of Washington's Birthday was the first matter of business taken up. Dean Lewis moved that a patriotic address in chapel with an extension of time, if necessary, be the only means of celebration. It was seconded by Professor Chambers. Motion carried. It was agreed that President Button should select and invite the speaker.

The next matter discussed was the K. E. A. It was moved by Dean Adams and seconded by Professor Nickell that we endeavor to have 100% enrollment among our faculty members. Miss Carter was made treasurer of this fund. Professor Jayne was named as a committee of one to devise a workable program for our school in this matter. The N. E. A. was next discussed. Miss Braun and Prof. Chambers were asked by President Button to serve as a committee to secure enrollment in this organization.

Professor Chambers made an announcement concerning the lecture course given by the University of Kentucky, and extended an invitation to the members of our faculty to attend as many of these lectures as possible.

P President Button named Miss Braun, Dean Lewis and Miss Royalty as a committee to prepare and send a telegram to Peabody Teachers College in reply to their invitation extended to our school to be present at the celebration of their fiftieth anniversary.

Dean Lewis requested that teachers enroll students in alphabetical order.

Question of chapel attendance was referred to committee on chapel attendance.

At the request of State Superintendent Rhoads, Professor Chambers proposed that President Button name a certification committee.

President Button said that he would take the matter up for consideration and report later.

Moved and seconded that we adjourn.

Enrollment in M. S. N. is still increasing. From one to four new students arrive every day. The arrivals on Monday were the Misses Rice from Paintsville, Anna Love from Vanceburg, and Miss Kincaid from Stanton.

Among the new students last week were D. G. Frisby, wife, and two brothers from Morgan county, Marie Messer from Farmers, Kewin Carty, Betty Blevins, Pearl Bates, David Morris, Hayes Muncy, and Ethel Steele.

The chapel is entirely filled with students now, both galleries being used, and additional chairs being placed in various parts of auditorium. Chapel attendance is not compulsory, but the teachers desire the regular attendance of all students. Seats have been assigned for convenience in seating such a large crowd, and because chapel attendance will be recognized in granting honor points to students and in recommending them for good positions. The members of the faculty try at all times to make the programs at chapel varied and interesting. The programs for the past week illustrate this splendid

On Monday, Miss Royalty gave a delightful program: "In the Morning" and "Little Black Baby" by Paul Lawrence Dunbar, "A Tale of Sweethearts," and, for encore, "Just a girl."

On Tuesday, the chapel period was given over to announcements, and "Pep" yells and songs led by Roscoe Esham, John Gray, and Miss Wilson.

On Wednesday, Professor McGuire told an interesting story, a translation from the Spanish.

Thursday morning, Miss Lucy on stage. After scripture reading and prayer, a brief force, "Look out for Hezekian," was presented by Starlin Richard and Dorothy Hesson, Vella Waltz, and Luther Rayburn. This was very amusing. Madison Lee Wilson sang a song of his own composition, "How d'ye Do?" in which he made clever allusions to members of the faculty. The closing number was the poem "Give to the World the Best You Have," read by Miss Wilson.

Friday's program had for its main feature an excellent talk on "Songs in the Night," by Mrs. Lillard Carter.

Washington's birthday was appropriately celebrated on Monday of this week by the singing of patriotic songs and readings from orations appropriate to the occasion by Mr. Mitchell, the Methodist minister.

On account of the funeral of Mrs. Button's sister, Mrs. Alice Stewart, there were no classes after chapel and throughout the rest of the day on Monday.

The members of the Faculty have decided on unanimous membership in K. A. this year. Plans are already being made for a large attendance at the big state meeting.

The boys of M. S. N. held a discussion last Wednesday evening, in connection with the Y. M. C. A., on "How to Make People Like You." It is more difficult now to plan for separate meetings of Y. M. C. A. since both groups are so large that only the chapel will hold them.

President Button and Dean

a conference of superintendents,
a very important meeting.

March 4th-1925.

The faculty held its regular meeting in Chapel on March 4th. The meeting was opened with prayer ~~led~~^{of minutes} by Professor Groves. After roll call and reading of last meeting, plans for the K. E. A. were discussed. It was agreed that we have an exhibit, and that there be a committee appointed to arrange for this, and any advertising material they may choose to use. President Button named Professor Jayne as chairman of this committee, and ask that he select the other members. He named Miss Ruby Vansant and Dean Adams.

Misdemeanor in classroom building was next taken under consideration. It was decided to lock all rooms but one during lunch hour, and put monitor in charge of it. Mr. John Caudill was assigned this duty.

Noise on porch next to dining hall was next discussed, but because of crowded conditions no solution was offered.

President Button asked Professor McGuire to take Professor Deratt's place on the committee of chapel attendance, and they were asked to meet and devise a means of securing 100% chapel attendance.

It was moved and seconded at five o'clock that we adjourn.

Mr. Jo Lyttleton, C. & O. passenger agent, from Ashland, was a visitor in chapel last Friday morning. Mr. Lyttleton was a graduate of the old M. S. N.

On Thursday morning the girls and boys had separate chapel. L. M. Brown, president of the Y. M. C. A., was in charge of the boys' meeting. W. O. Leedy spoke on "What the Y. M. C. A. does for boys." Musical numbers were furnished by the orchestra. E. R. White sang a solo, and Beverage Moore played a harp selection.

Clancie Jacobs was leader of the girls' meeting. Reports from the State Student Volunteer Conference were made by Mary Lewis, Elizabeth Moore, Dorothy Hesson, and Lucy Bolin.

Don't forget the bazaar to be given by the Y. W. C. A. on the afternoon of March 17.

An evening of delightful entertainment was furnished by Mr. and Mrs. Glenn Wells in the auditorium in Burgess Hall last Saturday evening. The chief feature of the evening was a three act melodrama entitled "The Atonement."

The last number of the Lyceum course will be given next Monday evening. Miss Selma Leahart, Reader, will give the entertainment. She comes very highly recommended by those who have heard her.

On Friday evening of this week, our school and town will probably have the rare opportunity of hearing a concert given by the Glee Club of the University of Kentucky. Don't fail to enjoy this rare treat.

Miss Archie Lee Dickson of Chicago, representing the Palmer System of Writing, demonstrated her work in Miss Braun's classes one day last week.

Miss Ida Button, who spent last week with her parents, President and Mrs. Button, returned to Lexington, Sunday.

Charles Lewis, a student in Wesleyan College at Winchester, spent the week-end with his parents, Dean and Mrs. C. D. Lewis.

Miss Ethel Patton, of Soldier, came over Monday to visit her sister, Mrs. Mayme Wiley, and attend the Declamatory Contest.

Professor Winship of Boston, editor of the Journal of Education, gave a very valuable address in the chapel at Burgess Hall, Tuesday morning.

Miss Verna Erwin, formerly employed in Cleveland, Ohio, spent the week-end with Miss Laura Steele.

The Declamatory Contest was given Monday night before a large, appreciative audience. Miss Royalty and Miss Shader deserve much praise for the excellence of the readings and the

music. Miss Kathelene Cramer won first place and will represent the school in the contest at London, Kentucky where several schools will be represented. Miss Marie Holbrook won second place, and Miss Mary Ellen Kash was mentioned as next in honor. Everybody regretted that a serious throat trouble prevented Miss Nina Hankins from giving her reading.

The judges were Mrs. Hood from Sayre College, Miss Thomas of the State Health Department, and Mr. Elliott from Columbus, Ohio.

The James Lane Allen and Button Literary Societies attended in groups and vied with each other in proclaiming the greatness of the occasion and of the speakers.

RMAL OL NOTES

New students in our school are the Misses Iris and Agnee Prater from Ashland, Charlens Stewart from Denton, Audrey Salyer from Royalton, and Mr. and Mrs. Orra Kiser from Grayson.

M. S. N. was represented at the special group meeting of the N. E. A., last week, in Cincinnati, by professors Jayne and Chambers, Dean C. D. Lewis, and Miss Ora Adams, Dean of Woman. This was a conference of Superintendents. There were 500 deans of women present in that division. Because President Button could not attend the conference, Dean Lewis represented him on two important committees, the Committee of One Hundred on Rural Education and the Committee of One

Thousand on Child Welfare.

Last Friday Dean Lewis represented the men of the faculty and Luther Rayburn represented the students of the Y. M. C. A. in a conference of leaders at Lexington. This conference was conducted by Mr. Dix, General Secretary, and Mr. Howe, State Student Secretary of Y. M. C. A. in Kentucky.

Last Friday morning in chapel Miss King gave an interesting talk on Conservation in Kentucky, especially concerning forests. She urged also the preservation of our wonderful wild flowers, especially in this community. Everybody in Morehead should join in urging that we should not uproot any of those plants, as some of them are becoming rare. There is probably no other region in the United States where the wild flowers are more beautiful. We should all be proud of this and aid in their preservation.

Stewart Here

Morehead State Normal has just enjoyed a brief visit from Mrs. Cora Wilson Stewart, who is making a tour of all the Kentucky State Normals, delivering a series of addresses on Adult Education.

"Miss Cora", as she is called by those who have known her several years, has the deep love and respect of the people of Morehead and Rowan County, and she is always heartily welcomed on every return to her old home.

Mrs. Stewart was formerly closely associated with President Button in the old school in the effort to stamp out illiteracy in Rowan County, which led to the beginning of the famous Moonlight Schools. She pays high tribute to Dr. Button wherever she goes. It seemed that this visit of Mrs. Stewart to Morehead was accompanied by more than the usual amount of deep emotion, as she saw some of her hopes being realized in Morehead State Normal. They, in turn, felt closely drawn to her who has helped to bring about adult education in ever-widening circles in county, state, and nation.

There is a plan to form a Council of One Hundred to stamp out illiteracy in the United States, President Button's name will head the list.

On Friday, Mrs. Stewart was the guest of the faculty of M. S.

because she is not yet well enough to be in school.

President and Mrs. Button are spending a few days in Lexington.

Elizabeth Moore's sister from Checokee, has been visiting her during the past week.

Everybody is glad to welcome Professor Peratt again. He is teaching one class which meets three afternoons each week, and looking forward to the time when he can resume all his regular work.

Word has been received that Mrs. Clarence Nickell is recovering nicely from the operation she recently underwent in

the Robinson Hospital at Berea. Dean Lewis will deliver an address "New Schools for the New World" at the Morgan County Teachers' Banquet at West Liberty, Friday evening, April 3.

Miss Lucille Williams of Grayson, who is one of the students in our correspondence department, spent the week-end with her aunt, Mrs. Howard C. Lewis.

On Monday morning in chapel Professor Haggan gave a most interesting and helpful talk on "Driftwood", applying it to the lives of people.

Other interesting talks given in chapel recently were "Where and what is Morehead State Normal" by Prof. Groves and "Echoes from Cincinnati" by Miss Adams. The latter was a partial report of the N. E. A. meeting which Miss Adams attended two weeks ago.

On Friday, Prof. Jane talked in chapel on the Kentucky Educational Association. Nearly all the members of the faculty and some of the students are planning to attend the K. E. A. meeting to be held in Louisville the last of April.

Plans are being pushed forward for work to begin on the new girl's dormitory. This building is needed very bad, both as a rooming place for the girls and as a place where meals may be served to our constantly increasing crowd of students.

Miss Mary Frank Riley is visiting her mother Mrs. Mayme Wiley at Hodson Hall.

Miss Ruby Vansant and Mr. and Mrs. Lewis Vansant spent Sunday in Lexington.

Miss Mary Bell Green and Mr. T. H. Morris former M. S. N. held a bazaar and candy sale last Tuesday in the Woman's Club building. They cleared a little more than twenty dollars which will help to pay the expense of a representative to Blue Ridge Conference in June.

Rowan County, which led to the beginning of the famous Moonlight Schools. She pays high tribute to Dr. Button wherever she goes. There is a plan to form a Council of One Hundred to stamp out illiteracy in the United States, President Button's name will head the list.

On Friday, Mrs. Stewart was the guest of the faculty of M. S. N. at a dinner prepared and served by the Household Science department of the school, under the efficient direction of Miss Ruth Vansant, head of the department.

"The Teacher's Opportunity for World Service" was the subject of Mrs. Stewart's closing address. It was an eloquent appeal that gripped the hearts of the entire audience. On the occasion of this address, music was furnished by the Normal orchestra, led by Miss Shader. Those who played in the orchestra were Jack Lewis, Jewel Lacy, Nina Hankins, Mrs. Friel, Edward Bishop, Everett Blair, John Will Holbrook, Madison Wilson, Corbie McKinney, Wilford Waltz, and Buell Hogge.

On Friday night Mrs. Stewart was given a reception by the Rowan County Woman's Club, in the spacious home of Mrs. Drew Evans. Nearly all the women of Morehead were present. Friends both new and old delighted to honor their distinguished guest. At this reception Mrs. Stewart spoke on Woman's Clubs throughout the United States. STATE NORMAL SCHOOL NOTES

"Come Out of the Kitchen" was presented Saturday night by the Dramatic Club of M. S. N., under the direction of Miss Evelyn Royalty, before an audience that packed the building. The various characters were well represented and the play was thoroughly enjoyed by all who saw it. Each member of the cast deserves special mention for some particular excellence, and Miss Royalty for her excellent work in training them.

The business manager, W. O. Leedy, and the Stage and Property manager, John Will Holbrook, did their work well. Various other persons rendered assistance.

The cast of characters:

Olivia Daingerfield--"Alias" Jane Ellen, Marie Holbrook; Elizabeth Daingerfield, "Alias" Araminta, Mary Ellen Kash; Mrs. Falkener, Tucker's sister, Evelyn Bozart; Cora Falkener, Her Daughter, Goldie Smith; Amanda, Olivia's Black Mammy, Ethel Porter; Burton Brane, from the North, W. E. Flannery; Thomas Lefferts, Statistical poet, Ernest White; Solon Tucker, Crane's Attorney and Guest, Starlin Richardson; Paul Daingerfield, "Alias" Smithfield, Jesse Carty; Charles Daingerfield, "Alias" Brindlebury, Madison Wilson; Randolph Weeks, Agent of Daingerfield's, Roy Cornette.

On account of the crowd, many persons were turned away, so the play was repeated on Monday night. W. E. Flannery is president of the Dramatic club.

Miss Catherine L. Braun spent last Friday in Bowling Green, attending a meeting of the State Council of Geography teachers, called by Miss Ella Jeffries, who is State Director under the national organization.

New students in our school are Iva Murray from Greenup, Susie Connelly from Grayson,

and Farris McGlone from Carter county.

As last Friday marked the end of the ninth week of the second semester, the teachers are now reporting all mid-semester grades.

Chapel programs last week were as follows: Tuesday, Miss Scott gave a "sermonette" on being happy; Wednesday Prof. Holbrook told the story of a somewhat remarkable man whom he once taught for some time so that the man could do a greater work than was possible while he was illiterate; Thursday Miss Royalty read "Angelina Steps Out;" Friday, Ruth Vansant read some of her favorite poems.

On Friday night, Dr. Arthur Henry Harrop, professor of Latin and Greek at Albion College, Albion, Michigan, delivered an address entitled "The Challenge of the Handicap," before a large audience in Burgess Hall. Dr. Harrop emphasized the fact that a large number of the great men of every nation have become great because of some handicap rather than in spite of the handicap.

Dean Lewis attended the conference of Registrars of Kentucky schools, at Lexington, last Thursday. On Friday night he spoke at the annual banquet of Morgan County teachers at West Liberty.

Dr. S. R. Fisher, of Carlisle, Kentucky, visited his daughter, Mrs. Charles Peratt, last Thursday afternoon and night.

President and Mrs. Button are in Louisville where Mrs. Button is receiving medical attention and will have to undergo an operation.

Mrs. Clarence Nickell is recovering nicely and is expected in Morehead at the end of this week.

Charles Lewis from Wesleyan College, spent the week-end with homefolks.

In the absence of the Baptist minister, Mr. Hale, the morning service was in charge of Professor Haggan and the evening ser-

vice of Professor Groves.

Dean Bower from the College of the Bible, in connection with Transylvania College at Lexington, gave a most interesting address at the Christian Church services Sunday morning. He was much pleased to have in his audience four graduates of Transylvania: Misses Ruth and Ruby Vansant, Warren Lappin, and Rigdon Ratliff. In the afternoon Dean Bower had a splendid, mutually helpful conference with the Board of Officers of the church.

The Woman's Missionary Society of the Christian Church will observe the Easter Week of Prayer, holding three services. The first was held Sunday afternoon, with the president, Mrs. Will Bradley as leader; and the third Friday afternoon with Mrs. Carey as leader.

The new Christian church is nearing completion. The dedication services will probably occur some time in May. At that time President F. W. Burnham, of the U. C. M. S., will be present and give the dedicatory.

Morehead State Normal School,
April 14, 1925.

To the Faculty:

The discipline committee met in the private office of Pres. Button, Tuesday afternoon at 4 o'clock to hear case concerning the actions of Dr. Robinson and Miss Sparks. The following members were present, Dean Lewis Chairman, Dean Adams, Miss Royalty, Miss Humphrey, Miss Scott, and Mr. Haggan.

After a discussion of the case, it was moved by Dean Adams and seconded by Mr. Haggan, that on account of the large number of unfavorable rumors concerning Dr. Robinson and Miss Sparks, knowing Dr. Robinson to be of questionable character, that Miss Sparks be asked to withdraw immediately from school. Under the above circumstances, it would be impossible to recommend Miss Sparks for a certificate.

The above motion was carried by a unanimous vote.

Miss Wilson is planning to augment the physical culture work by a series of organized hikes, about one a week until the end of the semester.

Mrs. Clarence Nickell has recovered sufficiently from her recent operation to return to her home in Morehead.

Miss Inez Humphrey attended the Kentucky conference of teachers of English at Lexington last Friday and Saturday. The meetings were very well attended. The visiting teachers were the guests of the Department of English at luncheon on Friday. In the evening a most interesting program was given, consisting almost entirely of original poems and stories.

Robert Phillips, a Senior in Transylvania College, spent part of his spring vacation visiting relatives and friends in Morehead. He attended chapel and a few classes in the Normal school Tuesday.

Professor Nickell gave a very interesting talk in chapel, last Monday morning, on some of the things that make successful teachers.

Tuesday morning the young men and young women held separate meetings. The young men's meeting was presided over by W. O. Leedy. Mr. Day led the singing, and Professor Holbrook led in prayer. L. M. Brown gave an interesting talk on "A Real Man," and Professor Jayne told some beautiful stories.

Miss Laura Steele led the girls' meeting, which was conducted entirely by "new" girls; that is, by girls who entered school this semester. Miss Lena Hicks acted as pianist. One special song, "The Whole Wide World for Jesus," was sung almost entirely by Carter County girls. The subject of the meeting was "How Big Is Your World?" Miss Josephine Leslie had charge of the devotional period. Scripture readings were given by eight Freshman girls: Trilby Allen, Alice Burns, Jean Dillon, Blanch Evans, Amanda Gayheart, Ruby Gray, Salome Johnson, and Marie Messer. Miss Adams led in prayer.

Excellent talks were given by Florence Perry, Flora Sparks, Clara Bruce, and Leona Coldiron. Miss Harriet DeBord read a brief paper that had been prepared by Goldie Gee.

Altogether it was an interesting and profitable meeting.

New students in M. S. N. are Miss Susie Connelly of Grayson, Miss Mary Lee Lany of Frankfort, and Miss Anna Pearce of New Castle.

Mrs. Minnie Dahl of Saybrook,

Mrs. Minnie Dahl of Saybrook, Illinois, and her daughter, Mrs. W. O. Lappin, of Milligan College, Tennessee, visited Professor and Mrs. W. C. Lappin from Tuesday to Friday, last week, but will return to Tennessee, where Mrs. Dahl will make her home with her daughter.

On Wednesday, Miss Lucy Wilson was in charge of the chapel program. After prayer by Mr. Mitchell, the Methodist minister, and a rousing song, "America," by the entire faculty and student body, Miss Meta Redwine gave two interesting humorous readings, one about a woman who was deterimed to improve her physique by exercises, and the other about a mother's devotion to her small son. Miss Wilson closed the program by reading a poem, "If, for Girls."

Mr. Chambers read poems to the assembly Thursday morning. Among those he read were "Elopement," "The Sum of Life," "Keep Him a Baby," and "O Love". Everybody always enjoys Mr. Chamber's reading in his characteristic humorous and altogether interesting manner.

Friday morning assembly was given over to "Pep" exercises, songs and yells, led by Miss Wil-

The melodies he sang were "Some of These Days," "Rise, Shine," "Swing Low, Sweet Chariot," and "I Know the Lord Laid His Hands on Me."

Last Friday evening, at the Sue Bennett School, at London, Kentucky, occurred the annual contest of the Eastern Kentucky Oratorical Association. The contest was in two divisions. In the Declamatory Contest the Morehead State Normal representative, Miss Kathalene Cramer, who read Tennyson's "Rizpah," was the winner. Miss Bernice Humfleet, of Union College, whose subject was "As Man to Man," won second.

In the Oratorical Contest, W. S. Gilbert, of Eastern State Normal, speaking on "The Appalachian," won first place. W. E. Flannery, of Morehead State Normal, won second, speaking on "The Average American Citizen."

The Morehead State Normal baseball team journeyed to Grayson last Friday and met defeat at the hands of the C. N. I. team, by the score of 4 to 1. Moore started to pitch the game for M. S. N., but due to an injured finger he had to give way to Holbrook pitched a steady game and weakened in only one inning. Poor support on the Morehead team kept Grayson in the lead. Hogge played a steady game at second and was largely responsible for keeping the score down. Honeycutt, pitching for Grayson, had his fast ball working in fine shape, and Morehead was unable to hit in the pinches. Morehead had the bases filled twice, but could never hit the ball to bring in the needed runs.

Richmond plays Morehead team Thursday on Day Field. This will be a hotly contested game, as Morehead defeated the Richmond team some time ago.

He also asked that tests for summer school be submitted to him at once. Professor Haggan proposed that we have a meal ticket system. He and Mrs. Wiley, the matron, were asked to work out a system.

It was decided that the boys on the baseball team should be given some recognition. It was moved by Miss Wilson and seconded by Miss Royalty that the boys ^{be} given sweaters. Motion carried. Coach Downing was authorized to buy them.

Mr. Lewis suggested that all college folks be given their exams. on Tuesday that they might be free for the remainder of the week.

It was decided that the same rules and regulations would be observed in the dormitory during the summer school; that the study bell would ring at seven instead of seven thirty.

This was seconded by Professor Chambers. The above committee was asked to serve in this capacity.

It was arranged by the faculty to start the summer school June 8th, with the regular force of teachers, except that Professor Clarence Nickell and Miss Katy Carpenter were granted leave of absence to attend school during the summer. CLUB VISITS DIX RIVER DAM

One of the most delightful events of the year occurred last Friday when the Dramatic Club of Morehead State Normal School made a trip to the famous Dix river dam. The rains prevented several from going, but eighteen risked the weather, went to Lexington on the early morning train and from there on a bus to the points of interest. They visited Shakertown, where they received a cordial welcome at Shakertown Inn, and were shown many pieces of furniture and other articles made by the skilled hands of the famous Shakers.

They next went to Harrodsburg, where dinner was awaiting them at the Beaumont Inn. They arrived at the Dix river dam about half-past two o'clock in the afternoon. Much time was spent in observing the wonderful structure, which is owned by the Kentucky Hydro-Electric Company. They learned that the power here would be transmitted west to Louisville, south to Pineville, and thence to the Bell and Harlan county coal fields.

The party returned to Lexington in time to enjoy a good show before the train left for Morehead. All returned tired, but happy over their wonderful trip.

Among those who went were Miss Royalty, sponsor of the Dramatic Club; Prof. Haggan, Misses Nina Hankins, Jewel Lacy, Evelyn Bozart, Metta Redwine, Marie Holbrook, Ethel Porter, Golda Smith and Elizabeth Jordan; W. President and Mrs. F. C. Button are in Lexington this week, attending the Kentucky convention of Christian churches at the Woodland Christian church.

Mr. Eugene Cocanougher visited his aunt, Mrs. H. C. Haggan, and other Morehead friends Monday. Eugene was a student in Morehead State Normal last year, and is now entering the second half of his junior year in the University of Kentucky, at Lexington.

Miss Elizabeth Fields, a student, rooming in Hodson Hall, became very ill with appendicitis last Saturday and had to be taken to Ashtand to the hospital. Her mother accompanied her.

On Friday night a splendid reception was given to students and faculty of Morehead State Normal, on the court house lawn, by the Kiwanis Club, the Morehead Woman's Club, and the Rowan County Woman's Club. The program was in charge of the Rev. W. C. Hale, minister of the Baptist church. Music was furnished by the orchestra. Speeches of welcome were made by Mr. Dan Caudill, Mr. E. E. Maggard, the Rev. W. S. Irvin, Mrs. W. T. Caudill, and Superintendent J. H. Powers. Lemonade and wafers were served to all individuals in the great group of people by several women of the three clubs. This was managed easily by having the crowd pass through the front entrance and out at the side door of the court house, the serving being done in the lower hall. Certainly all the guests felt the hearty welcome of Morehead people, knowing that everything is being done as rapidly as possible for their comfort and welfare.

The business office manned by Z. T. Young, business manager, and C. B. Lane, bookkeeper and auditor, has been moved to the room in Withers Hall formerly occupied by the extension department of the school. Professor Chambers, as registrar, will occupy Dean Lewis' office in Burgess Hall during the absence of the dean.

It has been necessary thus far to have many of the chapel services given over to announcements in order to set the school in good running order. This will no longer be necessary, and the members of the faculty will endeavor to make the brief chapel period as interesting as possible. Last Thursday Dean Lewis gave an interesting talk on man as a living soul, and his consequent responsibility and power. As usual, he illustrated his point with an apt, well-told story.

On Friday morning the Honorable W. C. Hamilton, of Mount Sterling, Commonwealth Attorney for this district, gave a very clear and thoughtful talk on our National Constitution. Tuesday morning, Professor Holbrook conducted the devotional ser-

day and had to be taken to As-

vice, earnestly urging the students to
carry out the instructions of their
teachers. Mr. Caldwell, of Louis-

new buildings for the Masonic Wid-
ows' and Orphan's Home, then sang
a solo of his own composition, "It
May Be for Your Child or Mine,"
with Miss Shader as accompanist.

Wednesday, Professor Peratt fol-
lowed up the thoughts that have been
uppermost in Constitution Week,
and urged that we should not be
carried away by enthusiastic speak-
ers and led to "trample on the con-
stitution," especially mentioning that
part which says there shall never be
any religious test imposed upon citi-

Five very excellent programs from
the Redpath Lyceum are being offer-

year. The first of these will be pre-
sented on Monday night, October 5,
by the DuMond Serenaders. These
people come very highly recommend-

My dear Dr. Buttonnd & Every body:

To-day I had my very first touch of homesickness since I came to my new home - and it was all due to "The Mountain Scourer".

I really felt that I'd like to come in there for a little while and see every one and tell each of you personally

just how much we do both appreciate your lovely gift. It is beautiful and we do get such a thrill and feel so proud ^{when} we are showing our friends what "The Morehead Faculty" gave us. However much we think of the gift it means more to me than a

mere gift - You see it
means a constant re-
minder of some of the
best friends I've ever
had.

Of course there is no
need for me to say I'm
happier than I've ever
been - My home is
lovely and these people
are almost as fine
as the Marchhead people.

Then you, Dr. Button, I
send this little note which
represents a heart full
of appreciation for your
lovely gift - We do
thank you with our
whole hearts

The enrollment of Morehead State Normal is now 351, of whom 57 are college students. There is a hearty growth in all departments.

A new schedule for chapel has been planned by Professor Pieratt. In this, the members of the faculty will each appear in turn, interspersed by occasional visitors. It is hoped also that each minister in the town will appear at least once a month. The students will be responsible for one meeting each month, in addition to having separate chapel every two weeks on Wednesday, when the Y. M. and Y. W. C. A. will have charge of the meetings of boys and girls.

A meeting of the Board of Requests will be held here next Tuesday, October 6. The complete number was not able to be present at Frankfort last Tuesday, but they transacted some business. For one thing they purchased the equipment for the kitchen in the new girls' dormitory at the cost of \$860. It is hoped now that Judge Young will be able to return to his home in Morehead in time to participate in the dedication of the new administration building. He is at present in the Burleson Hospital, in Grand Rapids, Michigan, and is slowly improving. Mrs. Young and their youngest son, Camden, are with him.

Don't forget the DuMond Serenaders next Monday evening in Burgess Hall. This is the first number of the Lyceum course and comes highly recommended.

The Rev. Mr. Thomas, new minister of the Methodist Church, spoke in the Chapel Monday Morning on the all round development, stressing the spiritual side. It was a most thoughtful and earnest speech.

The Rev. W. S. Irvin, minister of the Christian church, gave a stirring address to the young people Tuesday morning, in which he spoke of the tendencies of the times, closing in an optimistic vein, making the students feel that the future is in their hands and they can make good.

Professor McGuire began his talk Wednesday morning with the quotation from Burns:

"O wad some power the giffie gie us
To see oursels as ithers see us;
It wad frae mony a blunder free us
And foolish notion."

He then proceeded to state and comment on some criticisms that are frequently made concerning teachers. It was a very practical and helpful talk.

Miss Adams spoke on "Automobiles," Thursday morning, drawing some very clever comparisons between cars and students, considering the Normal School as a service station.

Thursday, September 24th, was the second birthday of Morehead State Normal. The occasion was celebrated on Friday evening by a campus social given by the Young Men's and Young Women's Christian

Last Thursday morning Professor Groves gave, at the Y. W. C. A. meeting, a thoughtful and helpful address on "Girls, From a Man's Viewpoint." He frankly mentioned some things he would not do if he were a girl, then he encouraged the girls to be better morally, to be more refined, to develop a deeper appreciation of the beautiful, and to be true to their religion. He said that girls and women have always conserved these ideals more than men have done.

Morehead Normal is again honored in having Professor W. L. Jayne re-elected as president of the Eastern Kentucky Educational Association, which held its second annual meeting at Ashland last week.

This is reported as an unusually good meeting. Every speaker on the program was present, the speeches were excellent, and 402 enrolled members were present. The attendance was cut down considerably by the heavy rains. State Superintendent McHenry Rhoads pronounced it the best meeting of its kind that he had ever attended in Kentucky. Professor Jayne and President Button were among the speakers. Miss Betty Robinson and Miss Evelyn Royalty also attended from M. S. N., as well as several of the students.

President Button and Professor Jayne were among the speakers at an important educational meeting in Frankfort this week. Professor Jayne is on three committees: Legislative, Certification and County Board Law.

As this is National Education Week, the chapel talks are centered around that general topic. Professor Graves spoke Monday morning on the teacher's place in building our nation. Professor McGuire spoke Tuesday on the conservation of our natural resources. While these are very scholarly subjects the speakers made them so definite and so rich in concrete illustrations that they were as interesting as a story to the teachers and students.

As the ninth week has now ended, mid-semester grades are being re-

vised this fall; Morehead has 360. Morehead has three new buildings that will be ready for use in January, in addition to keeping some of the old ones for temporary use. The two schools are keeping together pretty well and each should rejoice in the prosperity of the other. Murray is to be congratulated on her splendid outlook.

Dean Lewis writes with enthusiasm of his work and associations in Peabody College. In fact, all the members of his household are in school in Nashville and are enjoying the work. Dean Lewis recently gave an address at Murfreesboro, Tennessee, before the Teachers' Association of Rutherford county, on "Country Life in Abundance." He has been requested to give the same address in two other community meetings before Christmas.

On Wednesday afternoon at two o'clock, the Rev. M. A. Hart, of Danville, gave the Armistice Day address in the chapel in Burgess Hall. Miss Robinson mentioned seven of the oldest pieces of great literature: Homer's Odyssey, Dante's Inferno, Goethe's Faust, Arabian Nights, Don Quixote, Pilgrim's Progress, and Job. She gave a very interesting talk on The Odyssey.

Miss Florence Perry and Miss Humphrey spent the week-end in Lexington visiting friends and attending the State Student Volunteer Conference. All the Colleges and Normal Schools in Kentucky have groups of volunteers for missionary service, and most of them sent delegates to the conference. Asbury and Berea Colleges sent the largest delegations. Dr. Royal J. Dye, of Africa, was the outstanding speaker, but there were other excellent workers. Altogether it was a fine conference, filled with inspiration and vision.

Last Thursday and Friday President Button visited the Murray State Normal School, the twin of Morehead State Normal. The occasion was the dedication of Wells Hall, the new girls' dormitory. President Button reports everything as being in splendid condition for good school work. The campus and three modern buildings, administration building, auditorium and girls' dormitory, were formally presented to the State of Kentucky, and Governor William J. Fields, made the speech of acceptance.

On Monday morning Professor Peratt made a brief talk concerning the various translations of the New Testament, and called attention to the different wording of the Lord's Prayer. Professor Nickell then led the school in learning some new songs.

As the Board of Regents met here Tuesday, we were fortunate to have State Superintendent Rhoads in chapel. He spoke briefly to the teachers and students on some of the advances that are being made along educational lines in Kentucky. He said that probably the most noteworthy feature in the past two years has been the erection of new buildings at the University of Kentucky, and the four Normal Schools, making possible the better preparation of teachers for all the schools of the State. These buildings have cost approximately two million dollars. Superintendent Rhoads always has a timely, interesting message and we always welcome him heartily.

On Wednesday morning there was a joint meeting of the Y. M. and Y. W. C. A. in chapel. Mr. Samples was leader, and Miss Ethel Mullins pianist. Miss Dorothy Miller talked on "Boys, From the Viewpoint of Girls," and Roscoe Esham on "Girls, From the Boys' Viewpoint." D. J. Carty talked on the relation between the Y. M. C. A. and Y. W. C. A. W. The "Y." boys are now enjoying a series of Fireside Talks in the chapel on Sunday evenings. Professor Nickell talked last Sunday evening on "Purposing." The next discussion will be on "Immortality on Earth," then "Eugenics and the Teacher." The fourth topic is yet to be determined. Attendance and attention at these meetings are excellent.

On Friday and Saturday of this week the State "Y." conference will be held in Danville. Morehead Normal will have ten or twelve delegates, including teachers and students.

Earl Henry, of West Liberty, and David Morris, of Ellen, both former students of M. S. N., recently visited friends in Morehead.

Mrs. Ida Withers Harrison, of Lexington, spoke in chapel on Monday morning on the "International Spirit and World Peace." As she spent eight months of last year in a trip around the world visiting India, China, Japan, and the Philippines, as well as European countries, Mrs. Harrison was able to speak with authority on conditions as she has actually seen them. It was a remarkable address in many respects. Mrs. Harrison went from here to Washington, D. C., where she is a delegate to the meeting of the Federation of Churches, planning to influence Congress in important world relationship.

Tuesday morning, Judge W. Hoffman Wood, of Mt. Sterling, spoke in chapel on the theme, "The World is Growing Better." It was a splendid address, filled with good thoughts and inspiration for everyone who had the privilege of hearing

State Normal Notes

President and Mrs. Button have returned from New York City, where they had a most delightful visit with their daughter, Miss Ida Button, who is in the National Y. W. C. A. Training School. On their way back, Mrs. Button stopped in Ashland for a brief visit with her brother, Mr. Herbert Bishop and family.

Last Friday morning the Rev. Mr. Thomas, minister of the Methodist church, gave a splendid Christmas message in chapel.

Morehead State Normal Y. M. C. A. was well represented at the State "Y" Conference at Danville last Friday, Saturday and Sunday. They went in the school bus with Roscoe Esham as driver. The others were, William Samples, D. J. Carty, Bruce Stigall, Harry Walker, Herbert Kegley, Reuben Adams, William Dupey, Clinton Blair, Laurence Triplett, Monroe Wicker, Clyde Wright, Professor H. C. Haggin and Professor Clarence Nickell. These boys en-

joyed very much the hospitality of the big-hearted people of Danville. Excellent entertainment was given, free of charge, to nearly two-hundred students and faculty members, in addition to a splendid banquet, also free to the "Y" men. Our boys also enjoyed visits to High Bridge, Shakertown, Dix River Dam, Harrodsburg, and Perryville.

Last Saturday evening the third number of the Lyceum course was given in the chapel at Burgess Hall. By many it was considered the best of the three that have been given this fall. This entertainment was a lecture by Dr. Julian Arnold, son of Sir Edwin Arnold, of England. Dr. Arnold spoke on Arabians and the Mohammedans. This was a rare opportunity to hear a man who has first-hand knowledge of this interesting land.

The Y. W. C. A. under the leadership of Miss Wilson, will sell the Red Cross Health Seals. There is a possibility of the girls receiving twenty-five per cent of the proceeds, but they refuse to accept this, preferring to make it a service to the Red Cross rather than a profit to themselves.

Misses Betty M. Robinson and Inez Falth Humphrey attended the State Conference of English teachers at the University of Kentucky Friday and Saturday.

About thirty young men have enrolled for the Y. M. C. A. Bible and Mission Study Classes conducted by Professors Haggan and Nickell every Tuesday evening.

Monday morning was Students' Day in the Chapel and a group of girls gave an interesting program. The first performance was presented by Nellie Esham, showing to Dorothy Hesson the family album. The "photographs" were represented by various girls: Ma, as a little girl, Annabel Austin; Ma and Pa, on their wedding day, Dorothy and Ma, graduating

The girls announced a sale of hot hamburger sandwiches for Thursday morning immediately after chapel. They have decided also to hold a bazaar on the same date as last year, March 17, "St. Patrick's Day."

On Tuesday morning, Miss Effie King, of the science department, gave one of the most interesting chapel talks that have been given this year. Miss King talked about superstitions concerning various animals: the blue racer, the "glass" snake, the horsehair snake, superstitions concerning the kingfisher, the bluejay, and eagle, various insects, and the rabbit foot.

The Y. M. C. A. and Y. W. C. A. of M. S. N. are invited to send delegates to a conference on the world court to be held at the University of Kentucky next Saturday and Sunday. Dr. Alva W. Taylor, of Indianapolis, will be the principal speaker.

One of the best productions of the entire year is the presentation of the play, "Billeted," by the Dramatic Club, under the direction of Miss Royalty on Thursday and Friday nights of this week.

The second performance was an original farce which might be entitled "Crossing the Railroad Track," presented by Dorothy Miller and Mary Ellen Kash as bride and groom, and Mary Joe Wilson as the deaf station agent.

The boys and girls held separate chapel Wednesday morning. The girls with Elsie Peratt as treasurer, presented their annual budget. Of the 219 girls in school, all but 12

December 18th-1925

Professor Peratt led in prayer. President Button reported the action of the Board of Regents. He also said that they were making every effort to make it possible for us to get into the new buildings the second semester. The chairman of the committee on bedding made a report. The school is to supply sheets and pillowcases. The students are to furnish comforts and blankets.

It was moved by Mr. Chambers that every student on a scholarship basis must pass in $3/4$ of his work, or be deprived of his scholarship. It was seconded by Professor Nickell. Motion carried.

Miss Moorehouse of Lexington was employed as director of the cafeteria, President Button announced. It was announced, too, that Christmas vacation would begin at four o'clock December 21st, and close January 5th at 7:50 A. M.

Moved and seconded that we adjourn.
